

BARBADOS GIRLS CRICKET CLUB ADVISORY BOARD

We are pleased to introduce the members of our advisory board, and it is worth noting that Roland's wife serves as the Vice President. This appointment has been rigorously vetted through a due diligence process, and we are confident that it is well-earned. She brings an extensive background, having worked in the financial department of the BCA, along with a long-standing dedication to advancing the women's game.

The board has been put together to offer a diverse range of opinion and sounding board on the development of the club going forward.
